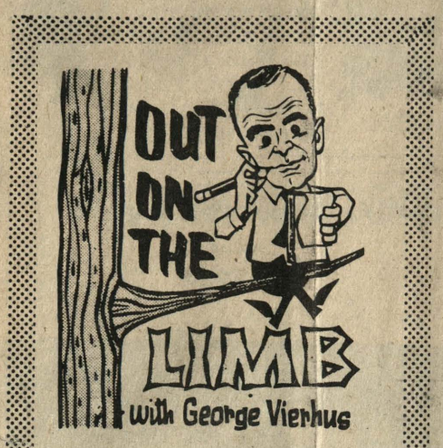
A HAPPY NEW YEAR EVERYONE!



THIS PICTORIAL review we publish in the last issue of the year, is a worthwhile project from many aspects.

Not only does the review serve the useful purpose of making it possible for all of us to recall vividly and graphically the highlights of the last 12 months, but it also aids materially in the production end of this newspaper, especially in a one-day-short-work week.

Whether one picture is worth 10,000 words as the old saying goes, is debatable.

But these pictures today replaced an awful lot of words which we would have had some trouble getting set into type in the time alloted this week.

And we have a hunch that our readers like the idea also.

OUR FRIEND, Les Lafferty, former publisher of The Press, recently sent us a clipping of an editorial that appeared in the Ashland (Ore.) Daily Tidings.

Les commented that he liked it and suggested that maybe others would also.

So here it is:

"How Can It Be?

"My God, how can it be.

"That one boy lies rotting from malnutrition and torture in a jungle prison camp in North Vietnam--and another boy spits and tramples on the flag of this country on the steps of a university of learning.

"That one boy lies sightless in the U.S. Naval hospital from communist-inflicted face wounds--and another boy uses a communist flag to drape himself in defiance of the laws of this country.

"That one man of medicine begins his thirtieth straight hour standing over an operating table in pursuit of life for men serving this country--and another man of medicine implores crowds of young men to refuse to serve their country.

"That one Negro holds the face of his dead white comrade in his arms and cries pitifully in a dirty mud hole in Vietnam--and another Negro screams with hate against his white brother on the streets of countless American cities.

"That one boy lies in a coffin beneath the ground because he believed in duty to country--and another boy lies on a dingy cot giving blood to the enemies of his country.

"That one man of God shields a wounded boy from an enemy bayonet

Happy New Year

Undoubtedly there are many people, because of business or personal reasons, who are happy to see the year 1967 come to an end.

Many feel certain that 1968 will be much better for them and eagerly and hopefully look forward to the next 12 months.

We are sympathetic with this optimistic attitude because basically, we suppose, we feel that same way at the end of each year.

We, too, hope that the next year will always be better than its predecessor.

Yet we are also well aware that it will take more than the clock striking midnight on Dec. 31, 1967 to make the hopes come true.

Actually Jan. 1 will be almost the same as any other day, except there will be more football games on TV than usual.

Welcoming the new year by the traditional tooting of horns and the blowing of whistles is all well and good. It would be awful, if the new year came in quietly.

But what is going to happen during the next 12 months must of necessity mainly be based on one's own initiative. In addition, what has occurred in the preceding 12 months will also have a tremendous bearing on the whole picture.

Still, all in all, we think our community is an enviable position as it faces the next 12 months, primarily because of what has happened in 1967.

There is no question in our mind but that Campbell is ready to take its greatest forward and progressive step in its 14 years of existence as a city.

During the next 12 months, many of the dreams and plans for making a better community than have heretofore existed only in the minds of civic leaders or on drafting boards will begin to materialize.

But it was 1967 that made it possible, for last October 24, the electorate approved a capital improvement bond issue that will go far in achieving some of the objectives that are necessary in the making of a better city in which to live and work.

Thus, it can be said, as we move in 1968 toward the goals that have been set, that it was 1967 that furnished the tools.

Therefore, unlike many years in the past, predictions for the new year, 1968, as far as our own community is concerned, have really something tangible to go on, or at least for a start anyway.

Admittedly it is sort of fun to make predictions just by using one's own crystal ball without having something definite to go on other than one's own ideas.

But most such forecasts have to be general in scope, plus being quite "iffy," so the forecaster won't fall completely on his face.

This is really the first time since we have been at the helm of the paper in Campbell that our "forecast" for the new year has really any basis of fact instead of dreams. It's rather a strange feeling.

But, as we said at the beginning, many of us are wishfully and wistfully hoping that things will be better, economically at least, for us in 1968.

And that's the way it should be, even if it is guesswork for the most part.

But for the City of Campbell much of the guesswork has been taken out of the picture.

This community faces the next 12 months with a definite pattern already established for 1968 which will probably mark it as its most important year in its history.

But, as our community looks forward with enthusiasm to the New Year, 1968, we also must remember it was because of what happened in 1967, that 1968 will be "the year" for our city.

So we bid good-by to 1967 with a sentimental feeling as we count our blessings and look ahead.

But then again there is nothing like looking ahead.

So....HAPPY NEW YEAR

Hamilton School has Christmas art festival

Hamilton School's entire student body was represented in their Christmas Art Festival held December 12. Some 70 slides featuring classrooms at work were displayed for the children and their parents.

Puppets made by Bill Woodfint's sixth grade performed for the youngsters during the day, Murals, fancy bottles, string pictures, crepe paper animals and tiny Christmas scenes were on exhibit. Miss Barbara Norwood's second grade made a pinata they named "Rudolph". The Christmas art show was so successful it may be repeated next year.

RECENTLY WE HAD occasion to call an airline in San Jose.

Although we weren't able to make connections with any real person, we spent considerable time listening to a pleasant-voiced automaton explain that all the airline lines were busy.

In fact "Miss Automaton" went even further. In the first contact, "the voice" explained that "all reservation lines are busy. Your call will be answered in the order in which it was received. "Will you wait, please?"

Then a few seconds later "the voice" came back on with:--"lines are still busy. Thank you for waiting." This same message was repeated at regular intervals.

This was our first experience with a time-scheduled recording routine.

Our previous contacts with such devises had been on the one-shot basis.

NATURALLY WE DID some exploring, including the timing of the period between messages and whether there was any variation in the messages themselves.

We learned that before each message would begin there would be a loud click so you knew it was coming.

We found out also that the introductory message would come only once but the others would go on at regular intervals apparently until replaced by a "live" person. (We didn't get that far).

You probably have gathered from this that we waited quite a spell before we finally gave up.

That is true.

And we have often wondered since that experience whether we waited longer than we would have, if we had merely received the ordinary busy signal.

We also have wondered which method is the more taxing on one's patience, i.e., the "canned" messages repeated at regular intervals as opposed to the well-known burp of the phone company's busy signal.

THAT TRAFFIC HAS increased on Campbell Ave. through the "downtown" business district in recent years is a well-established fact. One hardly has to have an electronic traffic-counter to prove that fact. Just trying to get across it, or trying to make a left turn onto it as the traffic peak should convince anyone.

We heard mentioned recently that while there was a time shortly after Highway 17 was opened when traffic slackened on Bascom and Winchester, the freeway now carries a full load and both the other streets are carrying more traffic than they were before the freeway was built.

The same was true about Campbell Ave.

When Hamilton Ave. was cut through and improved a few years ago, apparently there was a light drop in the traffic carried by Campbell Ave.

But not for long.

Today Campbell Ave. is carrying much more traffic than it ever did before.

As an aside on this Campbell Ave. traffic bit, City Manager Bob Stephens reported that at the height of the traffic one evening recently, a SP engine began switching operations, blocking the traffic flow at the railroad crossing, which in turn affected the flow even across Winchester. "Flow", somehow, doesn't seem to be the right word to use in this instance.

And a Happy New Year to you, too.

Why your PG&E bill goes up when the temperature goes down:

You're indoors more and need more heat.

You're cooking more hot meals.

You need more lighting.

And you enjoy more TV and stereo.

So naturally, your winter PG&E bill goes up. When the outside temperature goes up again, your bill will go back down again.

MR. AND MRS. BRUCE G. BEECHIE

(Ruth Ageson)

Ruth Ageson says vows

Three bridal attendants gowned in pink preceded Miss Ruth Ageson down the aisle of St. Lucy's Church when she became the bride of Bruce G. Beechie of Saratoga.

The attractive bride is the daughter of Mr. and Mrs. Milton L. Ageson of 337 S. California St., Campbell. For her wedding day Ruth chose a beautiful gown of Chantilly lace styled with a slim skirt, scalloped neckline, long sleeves and a Cathedral train. Her shoulder length veil was secured with a flower petal crown edged in pearls. She carried a cascade arrangement of white butterfly orchids and lily of the valley.

Mrs. Faye Anita Roulo, sister of the bridegroom, was matron of honor and the bridesmaids were Mrs. Anne Warner, sister of the bride and Miss Ann Beechie, sister of the bridegroom. All three were attired in matching floor length gowns of pink crepe with lace overjackets. They carried French bouquets of pink baby roses, centered with white carnations. John Corvello served as best man, and ushering duties were performed by Jay Beechie, Martin Ageson and James Roulo.

Luncheon was served to 150 guests at Santa Maria Hall on West Parr Ave. A beautiful three tiered wedding cake was cut by the newlyweds.

The couple left for a wedding trip to Carmel after the reception and are now making their home in San Jose.

Ruth is a graduate of Campbell High School, and been employed by Allstate Insurance Co. for the past four years.

The bridegroom is the son of Mr. and Mrs. Gerald Beechie, 18676 Paseo Lado, Saratoga. He is a graduate of Bellarmine and the University of Santa Clara and is now employed by Beechnut Life Savers Inc.

AUXILIARY HONORED--Elton A. Admire, administrator of Campbell Community Hospital, presents a beautiful silver service to the Campbell Hospital Auxiliary "in appreciation for outstanding service." Receiving the gift for the auxiliary is the president, Mrs. Eric Schramm. The festivities were held at Villa Felice, where the members gathered for their annual Christmas luncheon.

Hospital auxiliary has annual luncheon

Members of Campbell Auxiliary gathered at Villa Felice for their annual Christmas luncheon and to welcome five new volunteer workers to the organization. Highlight of the occasion was the presentation of a beautiful sterling silver tea set to the Auxiliary by Elton Admire, administrator of Campbell Community Hospital. The tea set, appropriately engraved. was presented to the Auxiliary in appreciation "for outstanding service to the hospital". Mrs. Eric Schramm, president, accepted the gift for the Auxiliary. Needless to say, the members were both surprised and delighted.

The banquet table was beautifully decorated by the luncheon chairman, Mrs. Robert Burton. Several candleabra trimmed with Christmas greens and red ornaments accented the table. Name cards were tiny Christmas angels.

The Campbell Hospital Auxiliary which now numbers 35, welcomed the following new new members: Mesdames James Graves, Christine Risinger, Carl Bergesch, Elizabeth Llorens and Bets White.

One of the members of the group, Mrs Frank Jacobsen, made most of the decorations for the hospital's Christmas tree. She used empty pill bottles as her basic material and filled them with tiny Christmas trees, reindeer or painted them with brilliant colors and hung them from the tree. There are also a large supply of candy canes for young visitors to the hospital.

Improvement district for W. V. College

In three separate items, the Board of Trustees of West Valley College Thursday night indicated progress toward establishment of the first permanent campus of the college in Saratoga.

It petitioned the City Council of Saratoga to create an assessment district for the improvement of college properties at the corner of Fruitvale and Allendale avenues, to include street improvements, curbs, gutters, turnlanes, traffic lights and controls.

Also involved in this $563,700 item would be a two-lane road around the perimeter of the college, a parking area, storm drainage and legal, engineering and bond service costs.

The second of the three items was the award to the Crinklaw Construction Co. for relocatable buildings for the Food Service program and for locker rooms and equipment for the Physical Education program. Crinklaw's low bid was $497,950. Low bidder on financing for the project was Wells Fargo Bank, with a 3.7/8ths per cent simple interest rate.

The third item related to purchase of casework and fixed seating for the Engineering-Technology Building, first structure under construction on the campus.

Classroom and laboratory casework low bid was that of Dickson-Smith Co., at $54,361. Low bidder for office casework was Kent Manufacturing, Millbrae, with $15.733, and the low bidder on fixed seating was Holsinger, Inc., Burlingame, $14,450.

1 YEAR AGO

A long-standing policy of the Campbell Union (elementary) School District could be modified this Thursday afternoon, if the trustees of the district act favorably on the request to change the name of the San Tomas School to the "Jack C. Fisher School".

Retaining its position as the largest of the 18 California State Colleges, San Jose State College registered an 11 per cent enrollment increase over the fall of 1965 with 21,800 students currently enrolled.

Christmas vacation begins next week for students in the Campbell and Moreland Elementary School Districts as well as in the Campbell High School District.

By a 4-1 vote the City Council on Monday joined four other cities in the county (Los Altos, Monte Serno, Saratoga, Santa Clara) in opposing the establishment of a county housing authority.

5 YEARS AGO

Building some of the most precious memories of childhood, every school in Campbell Union Elementary School Distric celebrates the approach of Christmas with a festival of music during the school day and for parent groups in the evening. Glee clubs, choirs, class and community singing, instrumental solos, school bands and orchestras all present traditional music of many lands.

A record-breaking $727,387.40 has been paid to holders of Christmas Club savings accounts at Pioneer Investors Savings, Sherman Miller, executive vice-president and managing officer, announced today.

The traffic signal at Winchester and Campbell will be three-phased as soon as possible. However the left turn signal will be placed in order that it will control the east-west traffic (left turns off of Campbell on to Winchester).

10 YEARS AGO

Nine local merchants banded together under the title of "Towne Square" to typify their location in the business district of town, this week offered five suggestions to the City Council as to how conditions could be bettered in their particular business block.

Santa Claus made his first appearance of the season in Campbell last Saturday afternoon when he arrived in style (1913 variety) at the Campbell Shopping Center, Winchester Road at Latimer.

With the deadline less than a week away for entry in the outdoor Christmas decoration contest for the Campbell area, sponsors of the contest, the merchants in the Campbell Shopping Center (Winchester Road at Latimer) and The Campbell Press, this week urged residents to get into the spirit of the season and make Campbell a brighter spot during Yuletime by participating in the contest.

15 YEARS AGO

Campbell Union High School is offering $40 in cash prizes to the Campbell students who win places in the $1,000 scholarship essay contest sponsored by Veterans of Foreign Wars Auxiliary on the subject "Democracy Is What We Make It".

Campbell Union School District trustees discussed plans for an 11-room addition to Hamilton School.

ON CAPITOL HILL

with "Charlie" Gubser

When our Federal Constitution was agreed upon by the delegates to the Constitutional Convention on September 17, 1787, it was, in this writer's opinion, one of the clearest and most articulate pieces of English prose ever written. It did leave certain functions of government to be spelled out in detail by legislation, but it contained a minimum of ambiguity on general principles and left no doubt as to what it meant.

But over the years that Constitution has gradually changed meaning. Some call these changes perversion of the spirit of the Constitution and others laud them as a tribute to the Constitution itself and its adaptability to a changing world.

But one change in meaning which I can never accept as constitutional is the Reorganization Act of 1949. Under this Act the Executive Branch proposes changes in government organization and, unless Congress disapproves the proposed change within sixty days, it automatically goes into effect. This is a complete reversal of the constitutionally defined legislative process wherein Congress is supposed to pass the law and the Executive Branch is supposed to exercise the veto power.

During the last session a reorganization of the District of Columbia Government was brought about through this process. It called for a single city manager appointed by the President, plus a nine-man legislative "city council", also to be appointed by the President. The bill was heavily advertised as a "home rule" bill, which it was not, and received bi-partisan support as a promised improvement in the structure of the District's government. The plan may be good, but, in my opinion, it was not constitutionally adopted.

The Constitution clearly granted Congress exclusive legislative power over the District of Columbia. This authority can only be repealed by Constitutional amendment. But acting under the authority of the Reorganization Act, President Johnson sent a plan to Congress which vested much of the power now reserved to the Congress in a nine-man city council, appointed solely by the President, with the ratification of the Senate. After the plan was before Congress for the required sixty days, a resolution disapproving the plan was offered so the Congress could vote on the subject. But no amendments could be offered and the House was required to vote the President's proposal up or down.

The complete legislative process must involve the right to offer amendments and make changes in proposed legislation. It was never intended to be limited to what a President proposed and nothing else. Thus, without a constitutional amendment, Congress lost a constitutional power by legislation which it could not even attempt to change by amendment.

The new plan for the District of Columbia will probably be an improvement over the old system of divided authority among three Commissioners, each independent from the other two. But there is no question in my mind that the manner in which the reorganization was achieved violated the clear-cut words written at Philadelphia which have not been changed, and still state that Congress shall have "exclusive" legislative power over the District of Columbia.

HOSTESS AND OWNER—Mrs. Sara Fischer, formerly of Campbell, is announcing the opening of a posh new supper club, Athens Royale, at 3033 El Camino Real in Redwood City.

The new supper club features Greek-American cuisine plus outstanding entertainment every night. The new supper club is rated as one of the most attractive on the peninsula and Mrs. Fischer, who will act as hostess, cordially invites her many friends from this area to visit it.

Obituaries

WOODROW A. CONWAY

Funeral services were held Tuesday for Woodrow Arthur Conway of 825 Camden Ave. Campbell, who was killed in an accident on Highway 17 recently.

Conway, 49, was owner of Conway Co. a hardwood floor installation firm. He was a native of Kansas City, Missouri and came to Santa Clara County 20 years ago.

Authorities are at a loss to explain the series of circumstances leading to Conway's death. He had apparently stopped his car in the southbound fast lane of Highway 17 north of Bascom Ave., turned off the headlights and stood behind the rear bumper. A car driven by Gerald Lewis, 23, of Sunnyvale, rammed Conway and his car from behind after another car swerved to avoid Conway's car and collided with another southbound vehicle.

Survivors include his wife, Mrs. Vergie E. Conway, three sons, Virgil A. Conway of San Bruno. Michael P. Conway of San Jose, and Joel P. Conway of Campbell.

The funeral was held The funeral was held in the Chapel of the Hills in Los Gatos with Rev. Harold Beeson, pastor of the Church of the Nazarene in Los Gatos officiating. Burial was in Oak Hill Memorial Park.

CALCULATE

The word "calculate" is from the Latin word "calculi" meaning "little stones", as stones were used by merchants in Rome 2,000 years ago to total accounts and other arithmetic chores.

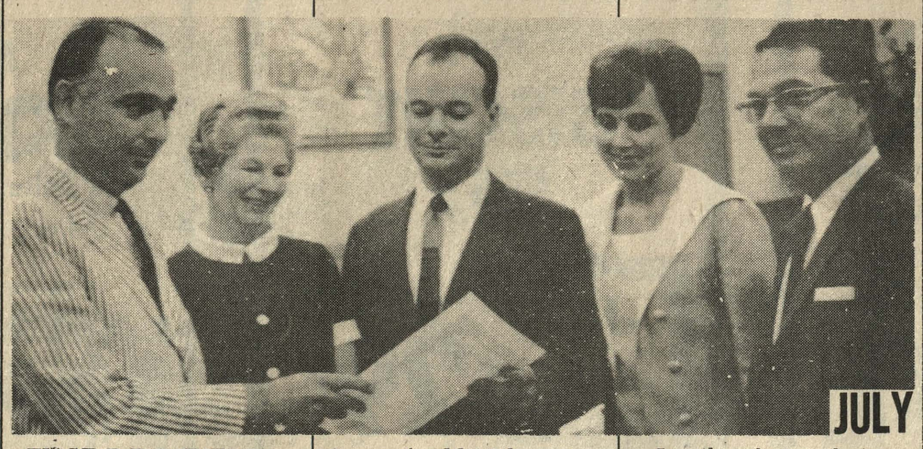
FINISHING TOUCHES- On Monday of this week the final paving coat was applied (above) to the Winchester Blvd. improvement project and by the end of the week striping will be completed.

The completed project costing $140,000 provides continuous curbs and sidewalks, new paving, additional storm drain facilities, new street lights and underground utilities.



JULY

FIRST RECIPIENT-- Mitchell Cushman, a graduate student in city and regional planning at University of Southern California, on Monday night was awarded the first $500 Jim Tomlinson Memorial Scholarship by the Campbell Planning Commission.

The scholarship was established in memory of the late James Tomlinson who served on the Planning Commission from its inception in 1952 until his death last year.

NOVEMBER

HAPPY GROUP-- In the most successful membership drive in the history of the Campbell Chamber of Commerce, 66 new members were "signed" in the one-day blitz on Nov. 15. An ambitious goal of 60 had been set for the drive.

Additional "stragglers" that were reported on the following day sent the new membership total above the 70 mark.

Pictured above are three of the top players for the day standing before the "scoreboard" that tells the story.

Left to right, Neal Royer (third high "scorer"), Jack Reilly and Al LaPlante who divided honors in the game for obtaining most members.

JUNE

LOCAL DRAMA-- Rated as "exciting," as well as interesting, the meeting of the Citizens Advisory Committee last Thursday developed a number of dramatic moments.

In the top photo Dale Scott, finance committee chairman, emphasizes some pertinent fiscal points using a chart (held by George Ferrier, county librarian) as an assist in his presentation.

May the New Year bring you much joy...

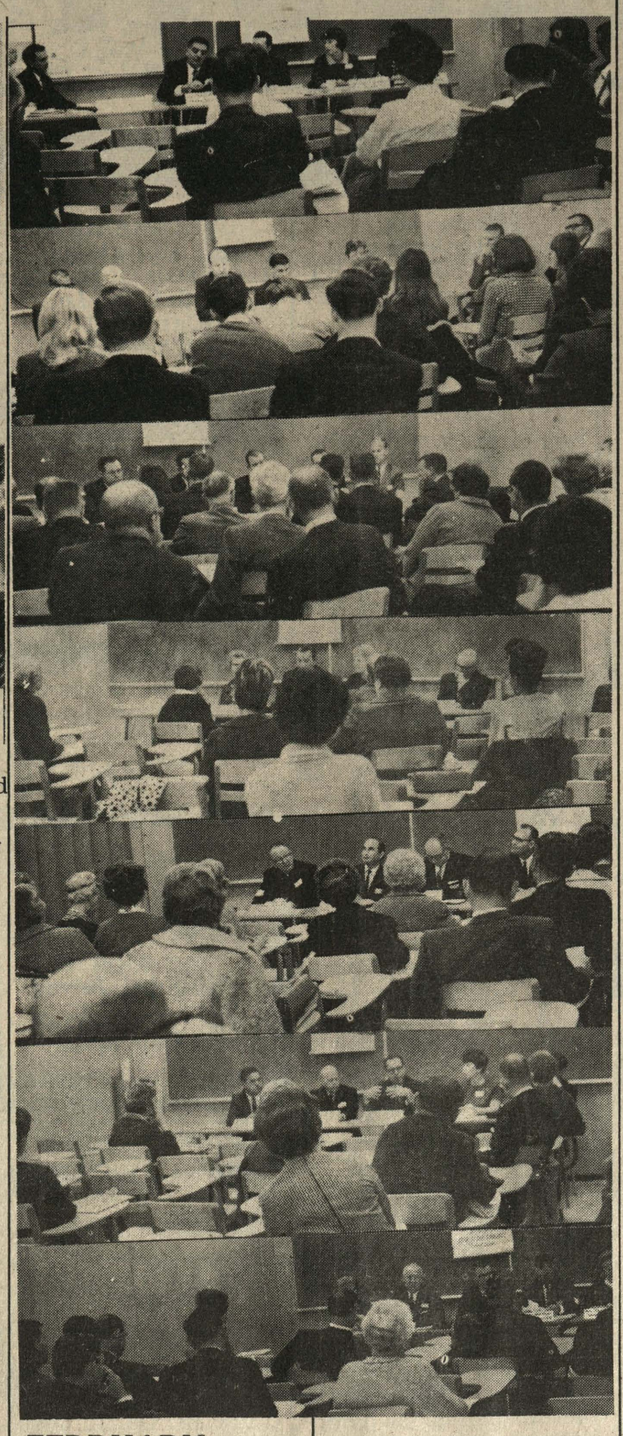
SEPTEMBER

NOW YOU KNOW--If you were wondering just how hot it got last Wednesday, Sept. 20, you have the answer right here.

The thermometer at the First National Bank in the Campbell Plaza Shopping Center at Winchester and Budd registered a neat 99-degrees at 3:39 p.m. on that date. That's warm enough in any league.

DECEMBER

B-RR! B-RR!--All that was missing for a white Christmas was snow. (It might have been too cold for that.) For the record the above photo was taken of the First National Bank thermometer in the Campbell Plaza Shopping Center last Thursday morning.



FEBRUARY

SEVEN OF 'EM--Here are the seven panel discussion groups in action at Campbell's first Congress for Community Progress, sponsored by the Chamber of Commerce, held Monday at West Valley College. Recommendations from each panel based on the two-hour discussions were presented before the close of the Congress.

APRIL

REAL GROWTH .. Left to right, Jim Duffield, C of C manager; Mayor Ed Rogers; and Bob Stephens, city manager, check the growth of the trees planted along Los Gatos Creek last year. (The weeds grew, too).

MAY

CAMPBELL'S FOREST --Campbell Rotary Club, as a civic project, plans to place 28 trees in tubs on the sidewalk on both sides of Campbell Ave. this Saturday to kick-off Campbell's tree-planting-clean-up-beautification campaign scheduled for this month, if it quits raining.

The above-pictured "forest," all set to be "transplanted," has had temporary quarters at the Campbell Lumber Co., where Rotarians in a series of weekends built the redwood tubs and "planted" the trees.

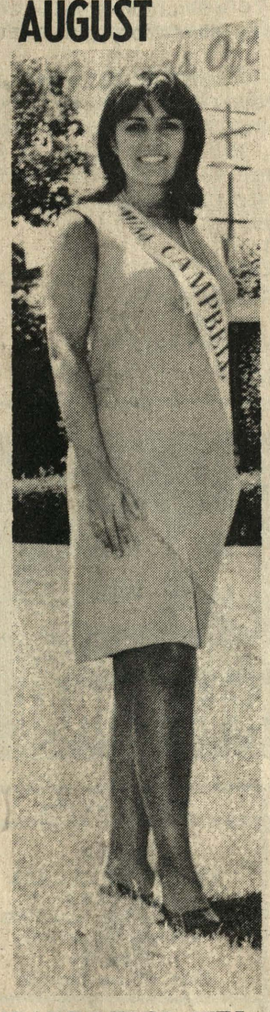
NOVEMBER

Mrs. Velma Olds, city treasurer of Campbell, took the floor Monday night (above) at the City Council meeting to protest the proposed raise in rent from $200 to $225 per month for the house on Sunnyoaks owned by Lou Colla and leased by the city since 1961 for a fire station.

JUNE

I.O.O.F. CEREMONIES--These trustees of Morning Light Lodge, I.O.O.F. of Campbell will realize a dream come true when construction starts on their new 5,400 sq.ft. Odd Fellows Temple in "downtown" Campbell. Pictured (left to right) are Cal Alford, Walter Silberbauer, Monte Estabrook, Larry Faulkner and Ray Gilpatrick.

AUGUST



HI! NEIGHBOR, WELCOME TO THE FAIR--Miss Carol Moreno, "Miss Campbell", poses in front of the gate of the Santa Clara County Fair which opens this Friday, Aug. 18 and will run through Aug. 27. On Sunday, Aug. 20, Miss Moreno, who is also C. of C. office secretary, will be a special hostess when Campbell and other communities will be honored.

NOVEMBER

AN HISTORIC OCCASION--On Tues., Oct. 31, the City Council officially canvassed the results of the city bond election on Oct. 24 when four measures totally $2,620,000 received the necessary two-thirds majority of the votes cast.

The two measures that lost failed by less than three per cent, it was pointed out.

The city officials commended the hard work of the citizens and expressed pleasure in the results.
